

PARAMOUNT BAPTIST CHURCH

As our pastors shared, we have made the announcement about our plans to begin the regathering process at our campuses on Sunday, June 7th. God created us for community, and we long to be together with one another. We will begin our re-gathering process with caution and care, putting many safety procedures in place and limiting capacity in our worship spaces through a reservation system (paramount.org/rsvp). We recognize that people have varying levels of comfort about returning to our campuses and will continue to provide excellent online services and groups for those who choose to stay at home.

Regathering Details:

- If you or any of your family members have shown symptoms or been exposed to anyone showing symptoms within the past 14 days, please remain at home and worship with us online.
- We encourage those who are considered "at risk" or those still feeling uncomfortable to remain at home and worship with us online.
- Temporary worship service times will be as follows:
